## DISCOVER TR

### Total Release Fogging Phenol Based Disinfectant

- Discover is a general purpose phenol based disinfectant/deodorant that is a virucidal, tuberculocidal, fungicidal and bactericidal.
- Use as a supplement to normal cleaning and disinfecting procedures and practices. Do not use in spaces smaller than 5'x5'.
- Kills COVID-19, Influenza A2, HIV-1, Herpes Simplex 1 & 2 . . . even tough TB germs.
- Sanitizes fabric and leather, shoes, mats, equipment and other soft surfaces
- Controls microorganisms that create foul, putrid odors. Provides pleasant orange scent for effective deodorizing.
- Designed to be used as a fogger but can also be used as a traditional surface disinfectant. Just spray surfaces, walk away and let Discover work for 10 minutes (required for total disinfection).

12 cans (6oz) per case Item #121222-12

#### General Directions (read complete label directions prior to use) -

The 6-oz aerosol can has a special valve that locks into place and produces an enveloping fog. Use one can per 6000 cubic feet. Turn off all ignition sources such as pilot lights, gas valves, or open flames. Remove exposed food, utensils, and dishes. Place paper under fogger, push down lock valve, and leave the room or building for two hours keeping room/building closed up. Open all doors and windows and allow room to air out. Rinse surfaces that will come in contact with food. Do not use around cats!

*Discover is a general purpose disinfectant/deodorant that is Bactericidal, Tuberculocidal, Fungicidal, and Virucidal. The broad spectrum germicidal efficacy of Discover has been established, with a ten (10) minute contact time at 25 degrees Celsius, against the following organisms:*

**BACTERICIDAL:** *Mycobacterium tuberculosis, Staphylococcus aureus, Salmonella enterica, Pseudomonas aeruginosa, and Methicillin-Resistant StaphylococcusAureus (MRSA).*

**VIRUCIDAL:** *HIV-1 (AIDS Virus), Herpes Simplex Virus (Type 2), A2 Influenza (Hong Kong), Avian Influenza A virus (H5N1), and other viruses on hard, nonporous, inanimate surfaces. Kills Pandemic 2009 H1N1 influenza Avirus (formerly called swine flu).*

**FUNGICIDAL:** *Trichophyton mentagrophytes pathogenic fungi: Discover™ Disinfectant can be used to clean and disinfect floors, benches, and other hard, nonporous surfaces commonly found in bathrooms, shower rooms, and locker rooms.*
